Dear Mayor Franklin, City Council President Stonecipher, and Councilmembers:

The Seattle Mariners write today to add our voice in support of the request before you from the Everett AquaSox and the Volpe family ownership group to investigate the feasibility of a new outdoor multi-purpose stadium in the City of Everett.

For the past 28 years the Mariners have been proud to partner with the City of Everett and the AquaSox as the home of our affiliate in the Northwest League. This relationship is built on a foundation of sharing baseball and affordable, family-friendly entertainment with fans in Everett, Snohomish County, and the larger North Puget Sound area.

We know that under the Volpe family's leadership, the AquaSox share the goal of assuring inclusive and accessible access for all citizens in our region.

Sincerely,
