Dave Somers, Executive

Snohomish County Council
Megan Dunn, Sam Low, Jared Mead, Nate
Nehring, Councilmembers

Dear Executive Somers and Snohomish County Councilmembers:

The Seattle Mariners write today to add our voice in support of the request before you from the Everett AquaSox and the Volpe family ownership group to investigate the feasibility of a new outdoor multi-purpose stadium in the City of Everett.

For the past 28 years the Mariners have been proud to partner with Snohomish County and the AquaSox as the home of our Class A affiliate in the Northwest League. This relationship is built on a foundation of sharing baseball and affordable, family-friendly entertainment with fans in Everett, Snohomish County, and the larger North Puget Sound area.

We know that under the Volpe family's leadership, the AquaSox share the goal of assuring inclusive and accessible access for all citizens in our region.

Sincerely,

A handwritten signature in black ink, appearing to read "John Stanton".

John Stanton
Chairman & Managing Partner
